

**Township Transportation Emergency Numbers and Early Dismissal Pick Up Dates  
2018 - 2019 School Year**

The following is a list of **Emergency Closing Numbers** for the various townships which provide bus transportation services to our students. Please be advised that situations may arise which warrant early dismissals or closings. Being familiar with your bus provider's county name and emergency number will assist you in easily determining their courses of action at such times.

Also listed are those townships which will provide *half-day pick up service* from the school to home on those days calendared by Merion Mercy as an early dismissal. **Please note that not all townships provide the same number of early dismissal services and there are some districts which no longer provide service to home for students on these days.** Please review the dates when your daughter will be picked up by your township bus service on designated early dismissal days.

**Chester County**

**#854 Tredyffrin-Easttown**

October 10, June 4 & 6

**Delaware County**
